Breakout 2010! Invite your Jr. High friends and save the date of **June 4-6!** Plan now to join hundreds of junior high students from Covenant churches across the Central Conference for a week-end experience unlike any other. Gathered on the campus of North Park University, we'll play together, worship together, talk together, eat together, work together, and be formed together – more into the people we've been created to be: people who love God and love others as Jesus did. New friends, the city, cultures, worship, meaningful work, great food, and life change await us. Hope to see you there! Talk to Chris and be on the lookout for details on this awesome life-changing event!
