

# Valley Covenant Preschool

Dear Families:

We are preparing for the new school year and are excited to see everyone.

As we prepare for our new year, just an update on a few things:

- Currently, DCFS is still requiring masks for students and staff, we are hoping that this guidance changes before school begins.

## Remini APP

- Everyone should have received the invitation for the REMINI app via email, (returning students are already entered). If you did not receive the invite, please email me @preschool@valleycov.org
- Open House dates and sign up for preferred times are under the sign-up sheet in the REMINI app
- The calendar on the REMINI app has been updated with the tentative schedule for the year.
- Party sign ups for class parties are under the sign-up sheets in the REMINI app

## Open House

The Open House dates are listed on the tentative calendar, there are sign up sheets posted on the REMINI app for you to sign up for your preferred time. During the Open House the children will have an opportunity to play outside on the playground or inside while I meet with parents. I will talk with parents, about the upcoming school year, about our curriculum and answer any questions. The Open House informational meeting will last about 20 minutes, you are welcome to stay after so that the kids can play and check out the classroom.

## School Supplies

All school supplies are provided for your student and are already in school boxes for your child. Each child will have their own box of supplies. Throughout the year we will post wish list items on post it notes and attach to the preschool doors for parents to take and purchase needed items.

## Email

Please watch for emails. I will send emails throughout the summer with updates. I will also post a message on REMINI to check your email. I know that some of you have turned off alerts for REMINI, please turn alerts back on so that you do not miss anything.

## Missing Paperwork

- I have attached a sheet for those who still need to turn in paperwork or payment with a self-addressed envelope and stamp to return missing items.

Looking forward to seeing you soon, Have a great rest of the summer!

\*\*\* For returning students, I hope you are working on your calendars, popsicles are in the freezer and waiting for you!!!

See You Soon,

Jill Huber  
Director
